

## KC

Kundayi Chiundiza was a 17 old student at St. Andrew's Cathedral School. Kundayi possessed a unique enthusiasm and energy for life and he was a much loved member of the school community. He loved his sport, his music, friends and his family. Tragically, in June 2010 Kundayi passed away as a result of an injury he sustained in a rugby match. Kundayi is sorely missed.

## THE CAUSE

Grace Chiundiza, the mother of Kundayi, aims to establish "The Kundayi Chiundiza School", in Zimbabwe, their homeland. The school will help to improve the quality of life for children in Zimbabwe, enabling them to experience some of the good things that were available to her son.
